178

1. The Chinese Communist Government in Peiping has issued orders to the labor departments of all provinces, instructing them to recruit young technicians, including mechanics.\* Twenty-five thousand are required. They will be sent to work in Manchuria for one year or eighteen months. Recruiting has already begun in the factories of Kwangtung.
2. Provincial governments have also been instructed to collect as much fuel and metal as possible for sending to factories in North China and Manchuria. This is to be carried out in accordance with the mobilization plan for use in time of national emergency.
3. The dismantling of factories in South China, engaged in military work, for shipment to the north has already been started.\*\*
4. Provincial governments have also received an order from Peiping to speed up the implementation of the ban on the export of all military materials, or any commodity which can be turned to military use.
